 Using: FFR Definition 'General Information'  
 Description: A Fact-Finding report will show values greater than, less than, or unlike a threshold value you set. These reports are very surgical in their precision - you can pull precisely the data you need, but they also offer a wealth of data through hundreds of built-in reports created by experts.

## General Information

### Table of Contents

**SMTP (2000-2003)** ..... **1**

### Collected Not-Collected Legend

DEFAULT	The value presented in the report was not directly reported by the target, but implied by the current value or lack of a value for the attribute
*UA*	Unavailable attribute. The current configuration or version of target platform does not provide a value for this attribute. More detail in logs
*FC*	Collection of value failed
*NS*	Value not selected for collection
